Camp Overview

Here's a camp designed for boys filled with adventure and curiosity. Each day includes a theme, various hands-on activity stations and outdoor play. There are special guests and team building activities to round out the week.

On the back of this sheet is a breakdown by day of the things your child will experience each day at camp. Please note that the schedule is subject to change.

Crafts and projects the children work on during the week may go home the same day, or may require several days to complete.

Expectations for Parents

Parents need to complete and submit a 2013 Health Care Form for their child by June 1. Parents are expected to drop off their child five minutes before the program and pick up promptly at noon. A picture ID is required to pick up your child. Anyone picking up a child from Adventurous Boys Camp must be listed on the child's Health Care Form.

Camp Fees/Dress/What to Bring

The program fee is \$100 for Residents and \$110 for School District & Non-Residents. Children should dress appropriately for the summer weather. The program is held both indoors and outdoors, so children should have sunscreen already applied and wear closed-toed shoes (such as gym shoes). Please do not send your child in sandals, crocs, or other summer shoes due to being outside in the grass area, on the playground, and hiking on the trails.
